

Schedule of Fees
Effective July 1, 2011

SERVICE	FEE	SERVICE	FEE
Initiation and/or transfer of service for the next day or after	\$15.00	Commercial Deposit Refunds	Commercial deposits and interest are refundable upon discontinuation of service, less the amounts due from the customer in the final bill.
Initiation and/or transfer of service for the same day	\$65.00	Temporary electrical service for residential construction	
Residential Electric Deposits to initiate service (due up front)	Minimum of \$340.00, actual deposit based on two times the 12-month average bill for that residence (if the information is available). Deposits can be waived if customer participates in automatic bank drafting.	Temporary electrical service for commercial construction	\$100.00
		Disconnection at the meter for non-pay	\$35.00 \$85.00 if paid after 2 pm for same-day reconnection.
Residential Electric Deposit Adjustments	Additional deposits can be required if electric account has two forced collections, if service is disconnected for nonpayment, checks have been returned by the bank for insufficient funds, the customer has write off accounts, the customer has filed bankruptcy (consistent with any court order), or tampering/current diversion is found.	Disconnection for non-pay at the pole or transformer	\$100.00 \$150.00 for same day reconnection
		Forced Collection – representative has already been dispatched to disconnect service for non-payment	\$25.00
Residential Deposit Refunds	Residential deposits and interest are refundable upon discontinuation of service, less the amounts due from the customer in the final bill. Deposits received prior to May 1, 2010 shall be governed by the previous tariff. If additional deposits are assessed after May 1, 2010, the entire deposit will be subject to the current tariff.	Tampering (in addition to disconnection fee, time and materials for all investigation, damage, and resolution)	\$150.00
		Meter Test	\$50.00 for tests requested by the customer unless they are found to be defective or have not been tested within the last year.
Commercial Electric Deposits to initiate service (due up front)	Minimum of \$100.00, actual deposit is two times the average monthly billing for service at that location of same business type (when this information is available). Deposit will be estimated if information not available. All commercial deposits will be re-evaluated and adjusted following six months of service.	Residential and Commercial Energy Audits	No Charge
		Returned Checks	\$25.00 if face value does not exceed \$50.00; \$30.00 if the face value is more than \$50.00 but does not exceed \$300.00; \$40.00 if the face value is more than \$300.00; or 5%, whichever is greater

Cash deposit alternatives
